

# Cookies Policy

## Cookie policy

In compliance with the provisions of the section 2 of article 22 of Law 34/2002, of July 11, on Information Society Services and Electronic Commerce, the present cookie policy is intended to inform you clearly and precisely about the cookies used on TABOR BUS, S.A..

## What are cookies?

A cookie is a small file that websites send to your browser and download to your computer. Cookies allow the website to store and retrieve information about your visit, such as your preferred language and other options, in order to improve the services offered and contribute to a better browsing experience for the user.

## Types of cookies

Depending on who manages the domain from which the cookies are sent and the data is processed, a distinction will be made between own cookies and third-party cookies.

Cookies can also be classified according to the length of time they remain stored in the user's browser, with a distinction being made between session cookies and persistent cookies.

Finally, depending on the purpose for which the information collected is processed, cookies can be classified into the following categories:

- Technical cookies: they allow the user to navigate through a website and use some of the services offered by it (such as those that serve to remember the elements that make up a shopping cart).
- Personalisation cookies: these allow the user to access the website with certain characteristics, such as language.
- Security cookies: they serve to prevent or hinder attacks against the website.
- Plug-in cookies for exchanging social content: so-called plug-ins, which allow content to be shared on social networks.
- Analysis cookies: they allow the person in charge to follow the user's behaviour.
- Advertising cookies: they allow the management of the advertising spaces on the website.
- Behavioral advertising cookies: like the previous ones, they are used to manage the website's advertising spaces based on the information collected on the user's behavior and habits, adapting advertising to the user's profile.
- Geolocation cookies: used to find out the country where the user is located.

## Authorization for the use of cookies

In accordance with the cookie notice on the website, the user may expressly consent to the use of cookies that require consent; however, the use of technical or necessary cookies does not require consent. Notwithstanding the above, the user can modify the configuration of his or her browser to reject the use of cookies.

## How to change your cookie settings

You can restrict, block or delete cookies from TABOR BUS, S.A. or any other website using your browser. Each browser is different, you can find out how to do this in your browser's help menu where the procedure for deletion is set. For more information:

- Google Chrome:
